Validation: All tickets are personal and non-transferable and have to be validated before departure, without indication of destination. The expiry date will be printed on the ticket at the first validation.

Children under 6 years of age don't need any ticket and enter free of charge in all participating museums. For children and young people under 14 all tickets are available at half-price as „Junior Card“.

Carrying bicycles aboard public means of transport requires an extra ticket (day ticket 7 euro – to validate before departure). Bicycle transport is allowed under reserve of space availability.

It is possible to return the bike rented with the bikemobil Card in every bike rental point participating of the corresponding organization (Bici Alto Adige / Papin Sport). It is not allowed to carry the rental bike on public means of transport (bus or train).

Discover South Tyrol

by train, bus, cable car & bike

ALTO ADIGE

Dear guests!

South Tyrol is the perfect place for a car-free holiday where you can let yourself get carried away by the unique landscape and cultural heritage. Take advantage of the opportunity to discover the entire province travelling by train, buses and ropeways! And a stopover in some of the many museums along your way definitely pays.

Our Mobilcard is your ticket for all public transport services throughout South Tyrol. They comprise the famous Venosta Valley railway, the high comfort Pusteria Valley railway, all regional trains between Brenner Pass and Trento as well as local and regional bus services, the spectacular funicular leading to Passo Mendola, various ropeways and the suggestive train that runs along the Renon plateau.

And if you like the idea of exploring our valleys renting a bicycle or to plunge into history and arts in a big range of museums and collections, the bikemobil Card or the museumobil Card are the right ticket for you.

Discover South Tyrol by bus and train - Have a good trip!
